REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number (Optional)
9203/046RE (13212.137REUS)

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are stated below next to my name. ✓

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if plural names are listed below) of the subject matter which is described and claimed in patent number 5,774,874, granted June 30, 1998, and for which a reissue patent is sought on the invention entitled Multi-Merchant Gift Registry,

the specification of which

☐ is attached hereto.

☒ was filed on June 30, 2000 as reissue application number 09 / 610158
and was amended on June 19, 2002.
(If applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

☐ by reason of a defective specification or drawing.

☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.

☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

The claims in the issued patent are unduly narrow in that they contain language that was added in the prosecution of this patent, which limitations were unnecessary to distinguish over the cited references. The reissue is therefore a broadening reissue. One error upon which the reissue is based is the insertion of the limitation "Kiosk" in the claims, which limitation is removed in the reissue filing.
